

Is Your Halloween Candy Cruelty Free?

BEWARE OF... GRUESOME GELATIN!

Gelatin is made by boiling the skin, tendons, and bones of cows, pigs, and other animals.

This gross ingredient is used in gummy candy, marshmallows, and even some cosmetics.

MILK CHOCOLATE:

WATCH OUT FOR... SCARY DAIRY (MILK)!

Cows must be pregnant to produce milk.

The babies are taken from the mothers within hours so her milk can be used in milk chocolate, ice cream, yogurt, and other dairy products.

Mother cows bellow for days after their newborns are taken.
