

Grant Application for Living with Beavers

To encourage peaceful co-existence with beavers, NHARL offers matching grants of up to \$500 to help cover the cost of installing non-lethal beaver management solutions in New Hampshire. To apply for a grant, complete this application and send it along with the requested documentation to the address at the bottom of the form. You can [download a copy of this document and type in the fields](#).

Date of application: _____

Name of applicant (individual, organization, business, or municipality):

Address: _____

Phone: _____ Email: _____

Location in NH where beaver solution will be installed: _____

Property owner (if other than applicant). Owner's written permission is required prior to installation.

Description of problem (e.g., blocked culvert, flooding, tree damage). Email photos, drawings, maps, etc. to illustrate.

Description of proposed solution. Explain how this approach will resolve the problem.

Name and address of installer (NHARL can recommend installers). If the grant is approved, payment will be sent to installer.

Total project cost (email estimate): \$ _____ Amount requested (up to \$500): \$ _____

I agree not to allow any beavers to be trapped or removed prior to or during the installation. I also agree to give the beaver solution a minimum of one year, from date of installation, to succeed. I will not trap or remove any beavers within this time period.

Please email your completed application along with the requested documentation to nhanimalrightsleague@gmail.com or mail it to NHARL, PO Box 4211, Concord, NH 03302-4211. Upon completion of the work, NHARL will require a copy of the **itemized invoice** (materials, labor, etc.) and **receipt**. This documentation is needed for tax purposes and to ensure that the project was completed as specified.

Thank you for choosing to co-exist with beavers!
