

NHVegFest 2019 Sponsorship Opportunities

The NHVegFest is an annual tradition in the city of Manchester. The event is run and staffed by a dedicated group of volunteers. NHVegFest is a festival to celebrate veganism in New Hampshire. Admission is free and there is plenty of free parking. There are food tables from local vegan restaurants where lunch and desserts are sold. Visitors come to enjoy samples of free food and listen to speakers on a variety of vegan topics throughout the day. Sponsors help us continue to grow and encourage discussion, celebration, and movement of veganism throughout the Granite State. Last year our attendance was around 3,000 people with 45 exhibitors. Our list of lecturers, demonstrators, and teachers grows annually as well. The cost of each sponsorship level is listed.
